

## Loutit District Library Solicitation Policy

Solicitations of any kind (including, but not limited to, solicitations for petition signatures, money, donations, or goods or services of any kind) and the distribution of any written materials or literature are prohibited within the Library building.

Groups or individuals who wish to engage in solicitation or distribution of materials or literature as described above may do so only on Library parking lots, sidewalks, or other Library grounds outside the Library building provided that they do not: 1) impede access by the public to the building, 2) interfere with use of the building (such as through excessive noise), 3) engage in littering, or 4) violate any local, state or federal laws, rules, regulations, or ordinances.

This policy shall not be construed to prohibit Library-related activities such as fundraising sponsored by the Friends of the Library or other Library-sponsored activities.

Adopted by the Board of Trustees of Loutit District Library on January 4, 2012.

Mary Jane Belter, Secretary
