

Q. Why did the catalog change?

A. We needed to update it. We added a lot more content, and the old catalog wasn't keeping up anymore. It's different, but we also think it'll be better in the long run.

Q. How do I find things in your new catalog?

A. Well, it's pretty similar as before.

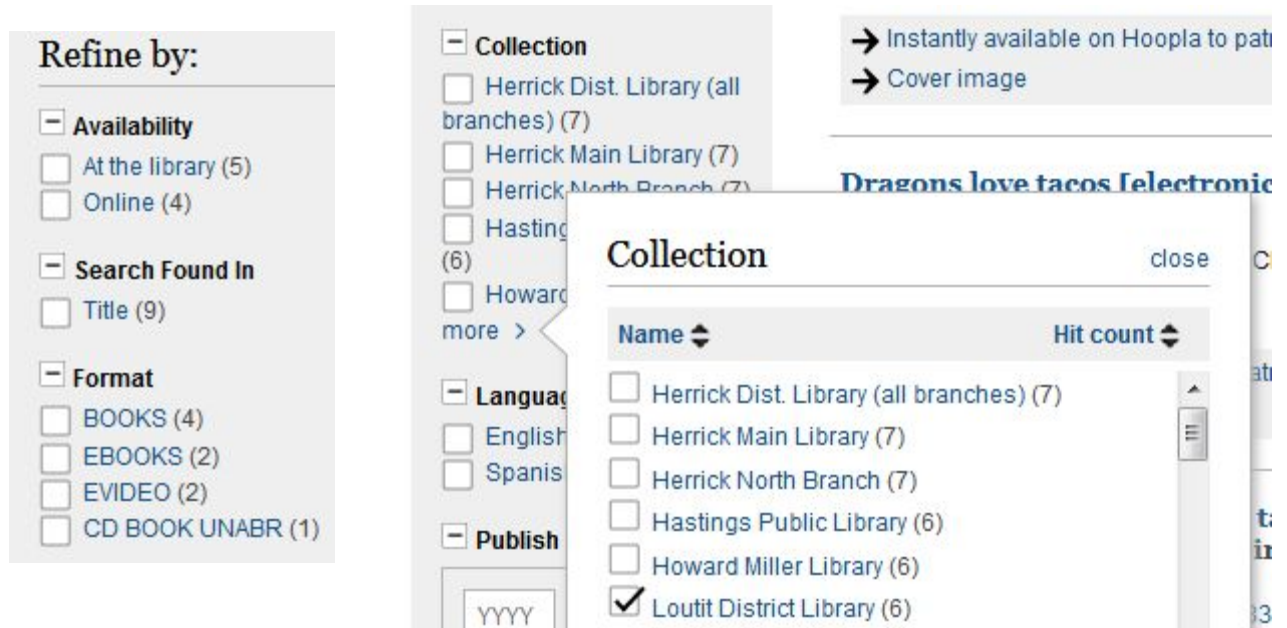

You can just use the search bar. It will do title, keyword, author--everything it did before. You just don't need to select which type of search.

Either pressing ENTER or using the  will perform the search.

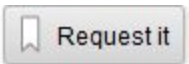

Q. How do I find stuff just at Loutit? What about just books?

A. The search looks at all of Lakeland, and after that search, you can then go ahead and limit your search with sidebar.

NOTE: You may need to click [more >](#) to see all the libraries that have it.

Q. How do I put items on hold?

A. Press  and it'll bring you to a login screen for your library card number and PIN.

Q. What if I still find this confusing?

A. Ask us for help! We are always happy to find things for you!
