DONATIONS NEEDED

Consider setting up a donation drive to collect items needed for our Care Closet.

ABOUT CORA'S CARE CLOSET

Cora's Care Closet meets the emergency needs of the children and non-offending family members that our center serves. We provide immediate access to brand new clothing, hygiene products, home cleaning supplies, baby items, furniture and more, completely free of charge.

We only accept new never used items. We strongly believe in the motto that used and abused children, do not deserve used and abused things.

WHY WE NEED YOUR HELP

Children who are removed or forced from their homes because of abuse or neglect often leave with nothing but the clothes on their backs. Caregivers may be struggling to meet the new and unexpected needs of a child in crisis. Cora's Care Closet and the team at The Children's Advocacy Center is here to help ensure safer environments and stabilized placements for our clients and their families.
